Course Overview

Class Timing

Adyar Campus: 9AM - 5PM (Mon - Sat)

Study Hours: 5PM - 7.30PM

Saraswathi Campus: 8AM - 5PM (Mon - Sat)

Study Hours: 5.15PM - 10.30PM

Study Materials

Our elaborated, concept-based study materials at VVT include over 42,000 questions, structured into three levels of difficulty in each chapter, to facilitate continuous and effective practice for students at various stages of their learning journey.

Test Series (App)

In addition to enabling students to customize their own tests, our application also delivers AI-driven analytical insights. This functionality helps students in identifying their areas of improvement across subjects, chapters, and concepts, fostering a more focused and effective study approach.

Assignment Tests

To enhance practice and proficiency, assignments for each subject are provided every two days. This regular assignment schedule is designed to cultivate thorough understanding and skill in each subject.

Weekly Tests

Every week, students at VVT Coaching Centres engage in a comprehensive NEET model test. This regular practice helps them enhance time management skills and identify areas needing improvement, ensuring they are well-prepared for the actual exam environment.

Cumulative Tests

Every three weeks, VVT conducts a cumulative test covering the syllabus completed in that period. This approach ensures that students consistently revise and stay prepared for the segments they have learned, reinforcing their knowledge and readiness for the overall curriculum."

Error Tests

VVT's AI-based analysis system reviews the past five weeks' exam performances to identify the most challenging and unattempted questions. These insights lead to the creation of error tests, tailored chapter-wise and concept-wise, helping students overcome their weaknesses and solidify their understanding.

Grand Tests

VVT's AI-based analysis system reviews the past five weeks' exam performances to identify the most challenging and unattempted questions. These insights lead to the creation of error tests, tailored chapter-wise and concept-wise, helping students overcome their weaknesses and solidify their understanding.

Our Campus

Saraswathi Girl Residential Campus
